cellular_component
cell
native cell
eukaryotic cell
somatic cell
motile cell
animal cell
hematopoietic cell
nucleate cell
leukocyte
nongranular leukocyte
lymphocyte
T cell
myeloid cell
alpha−beta T cell
mature T cell
mature alpha−beta T cell
regulatory T cell
memory T cell
dendritic cell
CD4−positive, alpha−beta T cell
naive T cell
plasmacytoid dendritic cell
conventional dendritic cell
myeloid leukocyte
CD4−positive, CD25−positive, alpha−beta regulatory T cell
CD4−positive, alpha−beta memory T cell
CD11b−positive dendritic cell
mature conventional dendritic cell
immature conventional dendritic cell
CD4−positive, CD25−positive, CCR4−positive, alpha−beta regulatory T cell
naive regulatory T cell
CD11c−low plasmacytoid dendritic cell
CD4−positive CD11b−positive dendritic cell
naive CCR4−positive regulatory T cell
central memory CD4−positive, alpha−beta T cell
CD8_alpha−negative plasmactyoid dendritic cell
mature CD8_alpha−negative CD11b−positive dendritic cell
immature CD8_alpha−negative CD11b−positive dendritic cell
CD4+
CCR7lo
